### YOUR SCALED SCORE

**Please note: CPA Australia does not re-examine, re-mark or provide access to exams after they have been administered. The scaled score above is your final score.** The quality and care taken throughout the process of assessment ensures the integrity and accuracy of every exam result, therefore requests to review your final score will be declined.

The representation of your exam performance on the following page is the extent of the information you will receive about your performance for this exam. Your scaled score cannot be converted to a percentage of correct answers. For more information about setting the passing mark and scaled scores, please refer to [www.cpaaustralia.com.au/results](http://www.cpaaustralia.com.au/results)
